TREX Plastic Recycling - See our bench! And read about what's next.

After collecting over 1,000 pounds of thin-film plastic in a little over 4 months, our bench is here. Our parish has responded to the Church's call for the care for creation. Thanks to all!

What's next? We will now collect plastic for the Franciscan Sisters! So please keep bringing it in.

We would love to have some more parishioners join our plastic recycling team. Can you help once a month by taking plastic to Sprouts? If you're interested in finding out more, send an email to us at stmfaithandjustice@gmail.com.

St. Thomas More Supported Joseph's House

We helped Joseph's House in their efforts to end homelessness by donating \$620. Thanks to all of those who contributed.

Refugee Support

Our Society of St. Vincent de Paul is currently providing food assistance to three Congolese families seeking asylum and one new Afghan refugee family. They work with Catholic Charities who shepherds the families through the documentation process and helps the families acclimate to life in our country. This assistance is not possible without our parishioners generous support. Thanks to all for your support.
