PARISH MISSION & VISION STATEMENTS

Mission (Purpose)

Through the Sacrament of Baptism, we the Catholic Community of St. Thomas More respond to our call to holiness.

Vision (Goals)

Empowered by Baptism, inspired by the Holy Spirit, and formed by the Word of God and the Sacraments, especially the Eucharist, we live out our Mission by working together:

- To structure prayerful, vibrant, participatory, Sunday worship experiences.
- To provide Life Long Faith formation for all age levels.
- To care for the young, the old, the sick, the hurting and the needy, both inside and outside our parish.
- To promote faith sharing, prayer, support, learning and listening to one another as a model for nourishing and sustaining our faith community.
- To welcome back, with hospitality, those who have left our faith community.

Our First Communicants Welcome Jesus

Several children received their First Eucharist at various masses since we reopened. We will celebrate a few more First Communicants in the next couple of weeks. These are graced moments for our parish to share in the joy of the children and their families! Let us reflect back to our own First Communion. What did it mean to you when you first experienced the real presence of Christ in the Eucharist? Today, as we receive the Eucharist let us thank Jesus for His Holy Sacrifice and pray for all our young children as they encounter Jesus on a personal level for the first time in the Eucharist. And, let us always be welcoming, "Jesus loves you... so do we."

Virtual Vacation Bible School program for ages 3-10 years old. Theme: Seeing through the Eyes of Faith. August 10th-14th.

Activities, Crafts, Stories, Songs and T Shirt.
\$20 per person. Physical supplies will be distributed via "contactless pickup".

Stewardship Corner: 17th Sunday in Ordinary Time July 26, 2020

Stewardship Faith

"We know that all things work for good for those who love God, who are called according to his purpose." - ROMANS 8:28

Do you really trust God? Do you really believe that God will provide all that you need? **Stewardship** faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God's plan for our lives may be quite different than what we planned. When one door closes, another one opens. Trust in God, His plan is always better.

From the Pastor's Desk

A Most Unusual Summer

Dear Parishioners,

It is hard for me to believe that we are more than halfway through July and I have not been to the beach even once. I am something of a beach bum since I was a young child. Growing up in Wildwood, I was frequently taken to the beach in the morning/afternoon and to the boardwalk in the evening *with a babysitter*, while my parents operated their hotel/restaurant business. That is, until I was old enough to work. Then, like most of the population in this seasonal resort town, I would tackle one or two jobs to earn tuition for Catholic school and to accumulate some spending money for the rest of the year.

Throughout the course of my life I have worked various summer jobs. Growing up in the restaurant business, I did everything from busboy, to waiter, to dishwasher, to short-order and prep cook, to cashier, to *maitre 'd* or host. Then I worked for a few years as a short order cook at the *Wildwood Diner*—the 7 to 3 shift (making breakfast and lunch). I was employed as a checker (cashier) at the *A & P Markets* and in the deli for *ShopRite*. During my seminary days, I drove a truck and did some sales for the *Wildwood Paper Company*. But enough about my ancient past. The last *thirty-three years* have been as an ordained Roman Catholic priest.

Once a week, I usually spend an overnight with my mom who has a condo in North Wildwood. I check up on her, do some errands, cook a few meals, and keep her company. During the quarantine, I went three entire months without visiting her. Since she is now eighty-six, I think it is ever-so-important to spend some precious time with her.

It is strange trying to get to know people in the parish as they are introduced to me with their face masks/coverings hiding their appearances. *Don't people intentionally wear masks to rob banks?* It's going to be hard for me to remember people's faces under the current conditions and restrictions. Please be patient!

I have felt like I was living *behind the iron curtain* for my first week—no internet, no TV and poor cellular service in the rectory. I have had little contact with the outside world. The internet and TV should be installed this week. As for the cellular service . . . *that's another story*. I have often thought that I might like being a monk. *Maybe I need to re-think this?* I have been warned many times to be careful of what I pray for because I might get it.

I will be spending some time getting to know the life and rhythm of the parish, unpacking my stuff and finding my way in this new locality. This part of Camden County is not as familiar to me as other parts of the Camden Diocese.

I probably echo the sentiment of many when I say that I hope things will return to some regularity or normalcy sometime soon. However, there is one thing that I am assured of despite the uncertainty of our times: **Jesus Christ is the same yesterday, today, and forever** (Heb. 13: 8).

Everything else seems to be something of a crap-shoot these days.

SEVENTEENTH SUNDAY IN ORDINARY TIME, JULY 26, 2020

Ministry Schedule for August 1/2

	Presider	Music	Extraordinary Minister	Lector
4:30 PM	Fr. Namiotka	Music Ministry	G. Tyrrell	J. Cepeda
8:30AM	Fr. Namiotka	Music Ministry	B. Massey	F. Egges
11:00AM	Fr. Namiotka	Music Ministry	J. Flynn	B. Haughwout

Somehow, we find ourselves at the threshold of a new era. We know there is no going back and that many things ahead of us will be different. Definitely some people are missing the old days, some may fear the future. Yet, others know the great possibility at hand, to write a new chapter of history for the world and for ourselves. It is a moment of great opportunity for us to grow in Faith, in trusting GOD, in finally putting our beliefs in ACTION. GOD is in control; we may not understand how or see the way, But GOD is in control. To take this in, we need to be deeply open....and allow the SPIRIT within us to speak to us. "The time when we seem to know the least and feel inadequate, is when we actually know the most. At the moment of deep reflection is when the SPIRIT draws new energy and resources from our deepest self. The breath of GOD upon the world is always new, always creative and so "may we invest all of ourselves in drawing from GOD's refreshing breath"

This is the attitude that needs to be placed in action **also** in the Religious Education/Formation of our children.

We have a new series of textbooks that will be put into use come September

It is a very different series because it is **interactive between the parents, families, children, Parish and catechists.**

The days of thinking that the parish will educate our children in religion are OVER.

It takes a town to educate a child; it takes the whole parish to form a child in the Faith.

The Parents are the primary educators in the FAITH, but not the only one.

The FAITH COMMUNITY of the parish is present to foster, enrich, feed, and strengthen the FAITH of our children and their families.

A Fifth Grade Catechist is urgently needed. Will someone please welcome the call?

I am told that God's call is already out there. Most likely God does not use the phone, but the heart. Other volunteers as "classroom assistants and monitors" are also needed.

Trust in God

During a time of crisis or uncertainty, we may find ourselves struggling with fear and anxiety. This is a natural reaction. But St. Paul reminds us in his Letter to the Philippians to "have no anxiety about anything, but in everything by prayer and supplication with thanksgiving, let your requests be made known to God." (4:6). Then, he assures us, "the peace of God, which passes all understanding, will keep your hearts and minds in Christ Jesus." (v. 7). With steadfast prayer and thanksgiving, then, we do our best to put our trust in the Lord, Let our actions reflect the trust and peace that can only be found in Him. Stay close to Jesus and the Blessed Mother in prayer, asking that those who are suffering from the disease or from any anxiety may find healing and peace.

SEVENTEENTH SUNDAY IN ORDINARY TIME, JULY 26, 2020

Small Christian Community Faith Sharing

Excerpt from the Gospel for the Eighteenth Sunday in Ordinary Time, August 2, 2020 - Matt. 14:13-21

When Jesus heard of the death of John the Baptist, he withdrew in a boat to a deserted place by himself. The crowds heard of this and followed him on foot from their towns. When he disembarked and saw the vast crowd, his heart was moved with pity for them, and he cured their sick. When it was evening, the disciples approached him and said, "This is a deserted place and it is already late; dismiss the crowds so that they can go to the villages and buy food for themselves." Jesus said to them, "There is no need for them to go away; give them some food yourselves." (Jesus then blessed the two fish and five loaves of bread they had and fed five thousand people. There were twelve wicker baskets of food left after all had eaten).

Commentary:

Jesus is mourning the death of John the Baptist. But even though he is troubled, Jesus is aware of the needs of those around him. Instead of focusing on his own concerns, Jesus reaches out to heal and to feed a great crowd. Jesus continues to feed the poor and the hungry through his Church. The Christian community is commanded to feed the hungry in its midst. The Eucharist would be an empty ritual if it didn't motivate people to do what Jesus did.

Questions for Reflection and Sharing:

1. What is God saying to me in this Gospel passage?
2. What word or phrase in this Gospel speaks to me?
3. What word or phrase in the Reflection resonates with me?

PRO-LIFE Corner: Does abortion kill an innocent human being? Abortion represents the killing of an innocent member of the human family: it is immoral, unethical, and cannot be justified. There is no such thing as a "right" to kill innocent people. This is the exact opposite of our Declaration of Independence that says, "all have the right to life, liberty, and the pursuit of happiness."

Earth's precious resource of water is coming under assault.

Oceans are becoming more acidic. Rivers, springs and underground aquifers, sources of fresh water, are polluted and exploited, denying millions of people access to clean drinking water. This is exacerbated by corporations and large companies, like beverage companies, extracting huge quantities of water from local sources, leaving little or no water for local use. In many places throughout the world, water is becoming a commodity sold for profit rather than recognized as a resource for basic human need.

(Mercy Earth Challenge--2020)

Your help is needed!
