

“Called to be Fully Alive in Christ”

Explore an ancient tool, the Enneagram, that provides understanding of our humanity. Developed by Christian and Sufi mystics, it has been used for generations to help persons grow into spiritual maturity.

Since the 1970’s, psychologists and spiritual directors have expanded the understanding of this tool and have shared it with the world through books and workshops.

Sister Eileen Smith, RSM, Director of Mount Saint Mary House of Prayer, will share about the wisdom of this tool in three sessions and how it can assist us in understanding our gifts and limitations and how it can help us in our prayer so that we can become more “fully alive in Christ”.
